

MELBOURNE BUDDHIST CENTRE

ETHICS | MEDITATION | WISDOM

Retreats offer a transformative experience to go deeper with meditation and understanding of Buddhism. Weekend retreats are held in the countryside allowing you to take a break from your daily routine and connect more fully with the natural environment, personal reflection and practice.

Day retreats are held at the MBC.

Sunday Morning Meditations are a three hour silent period of meditation, interspersed with periods of walking meditation. Suitable for regular meditators, every second month from 9.30am – 12.30am at the MBC.

Buddhist festivals are an opportunity to celebrate the Buddha, Dharma and Sangha and other significant events with our Buddhist community.
